MONEY WON LAST YEAR.

Daily Racing Form today lays before its readers the first carefully prepared statement that has ever been published showing the total yearly winnings of the thoroughbred in the United States as a whole. The period covered is the year 1902, from January 1 to December 31, inclusive. In the main the figures are official, but one item is an estimate that is more likely to be too small than too large. That is the allowance of \$250,000 to cover such meetings as Dallas, Los Angeles, Denver, Sacramento and the host of fairs and small meetings of various descriptions, at which purses are offered for the runners.

The imposing, the surprising, feature of this tabulation is that it reveals the magnificent total of \$4,662,424 as the gross earnings of the horses that raced over the tracks of the United States in 1902. This is at least a million dollars more than any expert would have named at an off-hand estimate, and is impressive evidence touching the vitality and strength of the American turf. The various racing fields contributed to this total as follows, in order of importance:

New York (inc. Saratoga).....	\$1,798,975
Chicago.....	786,305
St. Louis.....	426,475
San Francisco.....	417,624
New Orleans.....	248,185
Washington.....	122,455
Latonia.....	121,010
Butte.....	113,950
Buffalo.....	75,950
Memphis.....	73,925
Louisville.....	68,360
Charleston.....	61,825
Highland Park.....	42,405
Nashville.....	20,025
Providence.....	12,300
Newport.....	11,730
Little Rock.....	10,925
Miscellaneous (estimated).....	250,000

Total.....\$4,662,424

Aside from this colossal aggregate, American owners participated extensively in Canadian racing, the returns from the recognized meetings being as follows:

Fort Erie (two meetings).....	\$ 81,270
Toronto (two meetings).....	55,477
Windsor (one meeting).....	43,215
Hamilton (one meeting).....	10,015

Total.....\$189,977

By dint of industriously campaigning from San Francisco to New York and back again, the veteran trainer and owner, Green B. Morris, enjoys the satisfaction and fame of heading the list of winning owners of 1902. His margin over the Chicago owner, John A. Drake, is not a great one, but is sufficient. The \$92,120 of the Drake stable was nearly all won by two horses, Savable and Wyeth. F. C. McLewee & Co., who rank third, won their \$84,730 with their two magnificent racers Gold Heels and Major Daingerfield. August Belmont's fine total of \$77,466 was won by horses of his own breeding. One thing stands out plainly enough in the list of winning owners, and that is that S. C. Hildreth would have been the leader had he retained the horses he sold to Durnell & Herz, the money they won for the latter firm, added to his own credit of \$71,375, being more enough to have enabled him to lead Green B. Morris. Owners whose horses made satisfactory returns last year were those of J. W. Schorr, Barney Schreiber, Whitney & Duryea, G. C. Bennett & Co., L. V. Bell, S. S. Brown and P. Dunne, and also the one-horse stable of Mrs. L. Curtis. The stables of Messrs. J. R. & F. P. Keene, W. C. Whitney, A. Featherstone and

J. B. Haggin won respectable sums, but because of their big strings and many disappointments were all probably on the losing side.

A little analysis will show that western stables make a good showing. Of the thirty-seven stables that won \$25,000 or more twenty-one are western owned, and in this Green B. Morris is credited to the east, when as a matter of fact he might with equal propriety be credited to the west. The table following gives the winnings of all stables credited with \$5,000 or more:

A speedy weight-carrying and staying three-year-old Major Daingerfield is the leading winner among the horses of 1902. His splendid total of \$57,685 was gallantly won and he was probably the best three-year-old of the year, although that is a matter the admirers of Hermis and McChesney consider open to debate. A two-year-old, the Futurity winner, Savable, comes second, with \$46,100 to his credit. Third, fourth and fifth places are also filled by two-year-olds, two splendid representatives of the four-year-old and upward class in Gold Heels and Advance Guard, being sixth and seventh in the winning list. That the richest prizes of the turf are for the two-year-olds and three-year-olds is amply demonstrated by the fact that of the twenty leading winners of the year only four were four years old or more, Gold Heels, Advance Guard, Blues and Flying Torpedo, the other sixteen winners of the twenty being nine three-year-olds and seven two-year-olds. The table following gives the winnings of all horses that won \$4,000 or more, and furnishes decidedly interesting reading:

HARLEM'S STAKE OFFERING.

A \$10,000 stake is offered by the Harlem Jockey Club to be run on the opening day of the spring meeting this year. This announcement was made yesterday by Secretary Nathanson, in connection with a list of twelve important events to be decided at Harlem Park during the spring and summer meetings, the entries to which will close February 18.

The \$10,000 stake is practically a new one, although it retains the name of one of the feature fixtures of the Harlem Jockey Club—the Harlem Stakes. As remodeled, the event is built upon the lines of the Brooklyn and Suburban Handicaps, and its value is the same as those two stakes have been until this year. Heretofore the Harlem Handicap has been at the distance of a mile and an eighth, with \$3,500 added, and last year, with its entrance and starting fees, it was worth \$5,585, and was won by John Bright. In its new form the Harlem National Handicap is at a distance of one mile and three sixteenths, and with \$10,000 value, takes rank among the best of the country. Should the stake prove the attractive one that the Harlem Club officials are warranted in believing that it will, its value will be increased next year to \$15,000. It is the hope of Secretary Nathanson to further increase the value to \$25,000 in the third or fourth year of the existence of the Harlem National.

The weights for the Harlem are to be announced March 16, and declarations are due April 6, two months before the race is to run. It is probable that future books will be opened on the Harlem, as upon the Brooklyn, Suburban and American Derby.

The list of twelve spring stakes announced for Harlem Park is the same as last year, excepting the big handicap. Next to it in importance is the Twentieth Century, which has the same added money (\$5,000), with an estimated gross value of \$7,700. Last year the stake was won by the English horse Scintillant II. in the American record time of 1:57 2-5. This event will be run on Monday, September 7, as the Labor Day attraction at Harlem Park. Another feature which does not appear in the list because of being an over-night event, is the Derby Trial Special, which, as its name indicates, is designed as a test for the eligibles for the Derby, being run three days before that race. The list of twelve spring stakes is composed of five for three-year-olds and upward, the Harlem National, Twentieth Century, Chicago, Austin and Garden City; two for three-year-olds, the M. Lewis Clark and Riverside; and five for two-year-olds, the Petite for fillies, the Graduate for colts, and the Youngster, Proviso and Junior. None of the twelve events has less than \$1,500 added, and the smallest estimated value of any one of the number is \$3,000. The subjoined table presents the salient points of the twelve stakes to close February 18:

Stake.	Dist.	Added.	Val.
Harlem National Handicap.....	1-3-16	\$7,000	\$10,000
20th Century Handicap.....	1-3-16	5,000	7,700
Chicago Stakes.....	1-16	2,000	3,500
Austin Selling Stakes.....	1-16	1,500	3,200
Garden City Handicap.....	3-4	2,000	3,600
FOR THREE-YEAR-OLDS AND UPWARD.			
M. Lewis Clark Stakes.....	1-18	\$2,000	\$3,300
Riverside Selling.....	1	1,500	3,000
FOR TWO-YEAR-OLDS.

GOSSIP OF THE TURF.

The famous mare Catherine of Navarre, dam of Terra Firma and full sister to Henry of Navarre owned by Captain S. S. Brown, of Christiansburg, Ky., was booked Friday to the young sire Hawkswick, owned by H. T. Oxnard. This is the first mare booked to the good son of St. Simon, out of Plaisanterie, and Captain Brown visited Willamette stud, the place of Colonel John B. Ewing, to inspect him before mating.

Len Marders, the Lexington trainer, has decided to move his racing string to Memphis and put them into training for the early

spring racing. He has about ten head, including some promising two-year-olds and a few aged campaigners. He will leave about the 10th.

The track at Montgomery Park last Friday morning presented the appearance of a duck pond but trainers took advantage of the middle field and exercised for the first time this year a few prospective candidates for western derbies. Trainer Brazier, who is handling Skilful, Charley Ellison's three-year-old son of Mirthful, had his colt out and gave him strong gallops over the turf and hills that form the Montgomery Park steeplechase course. Skilful's first start will be made at the Memphis meeting in a purse affair. "He will not be prepared for the Crescent City Derby," said Brazier, and as he is not entered in the Tennessee Derby, the indications are that Ellison intends reserving Skilful for the American Derby. Other colts likely to be prominent factors in the betting in the winter book on the Chicago Derby were out and sent over the grass course in strong gallops. Rightful, half brother to Endurance by Right, from John W. Schorr's stable, and three other colts from the same barn, including Janeway and the maiden colt Stromonit, were given gallops.

Another American trainer has been engaged to go to Austria. This time it is Frank Van Ness. The nobleman who has secured his services is Baron Blaskovits. The baron's string of racers is well known in France, Austria and Hungary. His stud farm is near Buda Pest. Jockey Yancy, who formerly rode for J. Follansbee, will go abroad with Van Ness and ride the baron's horses.

NOTES OF THE TURF.

Went to post at 2:59. At post 1 minute. Start good. Won easily; second driving. Boittie was the best, took kindly to the sloppy going and spreadeagled his field. Liska was best of the others, as carried wide by Quincy when entering the stretch and repeatedly bumped in the stretch run. The latter interference Quincy was disqualified. Liska was placed second and Dr. Carr third by the 7-8 mile. Dr. Carr labored in the heavy going, but came along close to the rail in the stretch run, saving his ground. Mabel Hurst quit early.

The latter closed a big gap and finished fast. Peat was cut off on the backstretch and his rider had to pull up. Afterwards he was on the outside all the way. Lady Alberta came to the extreme outside at the turn into the homestretch and finished fast.

Besides the increase in the value of spring stakes as shown by the foregoing table, the value of each of the fall stakes will be increased in value ranging from \$250 to \$1,000. The fall stakes will close as heretofore in July. Not only has the club increased the added money of its list of fixtures, but a substantial increase is promised for the purse and over-night races. During the forty-three days of racing at Harlem Park in 1903 the racing association expects to distribute at least \$200,000 in stake and purse offerings.

In the list of stakes to be opened and closed in the summer, provision will be made for the steeplechasers. With only two weeks' racing assigned to it preceding the month of August the Harlem Club deemed it inadvisable to offer special prizes for the spectacular form of the sport. The race meetings preceding and following the Harlem spring meeting for the most part do not include steeplechasing in the list of attractions. The better class of cross-country material therefore, could not be expected to come for so short a period, to be idle before and after the short interval of racing at Harlem. Later cross-country racing will receive special attention and liberal offerings will be made for this class of performers.

With the announcement of the twelve stakes to close February 18 entry blanks will soon be distributed to the horsemen throughout the west. Later in the month Secretary Nathanson will make trips to the east and south for the purpose of interesting the owners of high-class thoroughbreds in the rich program which the club he represents has to offer. If the weather is at all propitious he expects the Harlem spring meeting to open with a hurrah as well as a big \$10,000 feature race, besides the M. Lewis Clark Stakes, the Derby Trial and three or four other stakes.

Winner—B. g. by Gorman—Dolly (trained by G. Webb).
Went to post at 2:12. At post 1 minute. Start bad. Won easily; second driving. Jim Gore II. outclassed the field, was lucky at the start and made the most of his advantage. He slowed down on the stretch turn and then came away like a flash at the end. Ting a Ling suddenly improved and followed the winner's pace closely throughout. Handpress was away poorly, but gradually improved his position and finished with a rush. Bonnie Lissak traversed the deep going to the stretch. Alms Giver ran a bad race.

Scratched—36836 St. Rica, 105; 36834 Arthur Ray, 108.

Went to post at 2:31. At post 4 minutes. Start bad. Won easily; second driving. Nugget suddenly improved, and, nearly left, closed a tremendous gap and was much the best. Azarine had a rough journey the first quarter, otherwise lucky, failed to stay and ran a bad race. Pat Oran is a non-stayer. July Gip and Elkarn were both closing well at the end. Mike Murphy was seriously interfered with on the far turn and disliked the going.

Winner—B. c. by Star Ruby—Anarchy (trained by G. B. Morris).
Went to post at 2:58. At post 1 minute. Start bad. Won easily; second the same. Precious Stone was away flatfooted and bolted on the turn, losing ten lengths, cantered home after being straightened and outclassed the field. Rowena pulled up on the turn to prevent being carried hopelessly out by the winner. She came through on the outside like a cyclone and was easily second best. Rapid Water was away well and was a sharp contender for second place a sixteenth out, made a promising debut and is evidently another good one. Annie Marie and Samar were closing fast. Puncillo is a grand looker but was practically left.

Winner—Ch. m. by Silver Fox—Touque (trained by M. Garrity).
Went to post at 3:22. At post 1 minute. Start fair. Won driving; second easily. Silver Fizz fell out of the race at the first turn and closed a big gap in the last six furlongs, finally wearing Dark Secret down in the last few strides. The latter displayed unexpected speed in going he dislikes and will give a good account of himself on a fast track. Oso trailed the field the first six furlongs and, under a strong and skillful ride, finished fast. Digby Bell ran poorly.

Scratched—36902 Star Cotton, 109; (36902) Goldone, 105.

Winner—B. g. by Deceiver—Nantucket, by Onondaga (trained by G. Miller).
Went to post at 3:44. At post 3 minutes. Start bad. Won driving; second easily. Decoy showed remarkable improvement, forced the pace throughout and sustained his speed unexpectedly well. Nigrette followed the winner's pace closely, was ridden all over the track in the stretch and appeared a sure winner, but Connell was caught napping in the last few strides. Parsifal was away badly and closed a tremendous gap. Resin was in the worst going throughout and was always prominent, but was tiring in the last few strides. Hungarian had no mishaps and ran a bad race in going apparently to his liking. Dotterel was away poorly.

Winner—B. f. by Trappean—Abbie F. (trained by S. McNaughton).
Went to post at 4:22. At post 1 minute. Start good. Won easily; second the same. Alice Cary, away poorly, gradually closed up and took a long and winning lead on the far turn, which she retained to the end without urging. She was much the best and is greatly improved. Onyx II. forced the pace and stuck to his work gamely, and was the best of the others. Guida is very uncertain, finished out the last quarter fast and got up in the last stride to secure third place. Ed Lilburn ran well, but tired right at the end. Gladys Bell retired early and ran a bad race. Maud Muller showed early speed.

Scratched—36765 Gillie, 109; 36667 Oro Viva, 112.

Alice Cary, show, 1 to 4. Onyx II., show, 1 to 3. Guida, show, 2 to 1; Gladys Bell, show, 3 to 5.
